Hey guys, I was looking at the scheduling order we have and we don't have any deadlines for experts. Would you guys like to file a request not to extend discovery (which I think the judge indicated he did not want to do) but to add deadlines for expert disclosures?

Right now discovery ends on Aug. 14. Would you guys be agreeable to proposing expert disclosures on Sept. 13, rebuttals Oct. 11, and MSJ Nov. 8?
